Dear Sir or Madam,

I am writing to express my interest in the Fundraiser position. I learned about this opportunity from the LinkedIn platform and I would be very motivated to work in this domain.

Currently majoring in Computer Science at ETH Zürich, I will receive my Bachelor degree next spring. While I have solid knowledge of the computer science theory, I lack hands-on experience and I would like to gain some before getting my first diploma. I also have always wanted to dive into the journalism world. I feel that the position you propose would give the opportunity to broaden my interest spectrum while at the same time allowing me to get an insight on how it is to work with a team of highly motivated people.

While I don't have any experience in the administrative branch, I can compensate that with an excellent knowledge of English, French and German and a proficiency in Spanish which should be an advantage when communicating with eventual sponsors.

I would like to meet you and discuss the job opportunity.

Please let me know if you have any questions. You can reach me per mail at dcolonna12.dc@gmail.com, or by phone at +33652258564.

Thank you for your consideration.

Yours sincerely,

David Colonna
